

Tammie and Stephen

Dear potential birth parents,

We are Tammie and Stephen. We met 21 years ago while both working at a local food store. We started out as very good friends and our friendship grew into a romance. We love and respect each other very much. We have been married for 13 years.

Stephen and I share many of the same interests. Since the beginning of our relationship, we have always talked about having a large family. We believe in the same morals and values as to raising a family.

We have always wished for children and were blessed through adoption 6 years ago. Our daughter, Tiffany, is a beautiful smart little girl. We are so excited for her to be a big sister.

"All because two people fell in love".

Tammie...

My wife, Tammie, is beautiful in every sense of the word. She is an assistance district director for a supermarket. Tammie is one of the most hard-working people I know. Putting others needs above her own is what I admire most about her. She is an incredible woman.

Tammie loves spending time outdoors. Whether it be playing golf or horseback riding, she is happiest when she is out and about. Tammie is an exceptional person and I love spending time with her. She is loving, caring and unique, she is the love of my life.

Spending time with Tiffany is what she loves to do most. She plays dress up and comes up with the most amazing Halloween costumes. She loves taking her to the zoo or aquarium. She is an amazing mother and is looking forward to having more children.

Stephen...

My husband, Stephen, is a wonderful man. He has a successful career as a supermarket store manager. He has an energy about him that makes him so special and unique. Stephen displays such a great amount of compassion, confidence and devotion in all that he does.

Stephen is such a hardworking man. On his spare time, he enjoys playing basketball and bike riding. He does the crossword puzzle every day. Stephen loves a challenge and puts every bit of himself in whatever project he is doing.

Stephen loves being around his family and friends. Stephen absolutely loves being a girl dad. He is so excited to dress up for a father daughter dance and cheer on Tiffany at any recital she has. He is her number one fan, and he cannot wait for our family to grow.

Tiffany...

Tiffany is our spunky 6-year-old! Her heart is so big and full of love. She is smart and kind. She gets so excited when she has to dress up for her dance recitals and swim meets. Tiffany cannot wait to be a big sister!

Tammie's Parents...

My parents were happily married for 20 years. Unfortunately, my father, Kenneth, passed away when I was two years old. Everyone says what an amazing man he was. I hope he is proud of who I have become.

My mother, Florence, was a meat wrapper for 51 years. She is an extraordinary woman and my best friend. We love to travel and be adventurous together. The grandchildren love my mom. I'm sure a new baby will too!

Tammie's Siblings...

I am so blessed that I get to call my brothers my best friends. Growing up in a household with two brothers was sometimes a challenge, but I know that they only wanted to protect me and always had my best interest at heart. I love them both!

My brother, Kenneth, is a NY market supervisor for a cooperate moving company. He was married to Debra who was one of my best friends. Sadly, she passed away 12 years ago. Together, they raised their son, Kenneth, who is 26 years old. We love spending holidays with them and look forward to more family barbecues.

My brother, Brian, is an assistant store manager. He and his wife, Hollie, are amazing aunts and uncles. They have an 14-year-old son, Brian, who is excited to have another little cousin. They were thrilled when Stephen and I decided to have a more children and are going to spoil this baby with so much love.

Stephen's Family..

My parents, Richard and Joan, were happily married for 50 years. They taught me that love, marriage and family are truly life's greatest gifts.

My mother worked in a school cafeteria. She was good-natured and a caring woman and I miss her every day. My dad is a bank manager. He gives everything to his family and is an incredible grandfather. He is excited for Tammie and I to keep the family growing.

Stephen's Siblings...

I have a brother and sister who have been my life long friends. My sister, Patty, is a school teacher. Her husband, Christopher, is retired from law enforcement. They have two beautiful children, Shane, 2 and Danielle, 20. They cannot wait for another baby cousin!

My brother, Robert, is a produce manager. He is a fun, loving uncle and looks forward to having a new niece or nephew to care for and love. I am so lucky to have grown up with such a loving family.

LIFE IS
better
with YOU

We hope that in reading this letter and looking at the special times that we have shared, that you have some sense of who we are, and what a wonderful relationship we have. We know that if we are fortunate to adopt, we will love this baby unconditionally. It is our intention to express to you that our marriage is based on trust, love, support, encouragement and honesty. Our family has grown with these same values.

We are excited about this new phase in our journey together and look forward to bringing another child into our love and our life. We have a wonderful extended family who will give so much love to this child as grandparents, aunts, uncles and big cousins!

We are honored to be considered as adoptive parents and would love the opportunity to meet with you.

*Warmest Regards,
Tammie, Stephen, and Tiffany*
